Health protection from the Sparkasse

Peace of mind is within easy reach.

FEUERSOZIETÄT

Because some things are more important than money.

Make the best choice for your health.

Have you ever cried with laughter? So heartily that everyone around you is caught up in it too? Enjoying the moment. Untroubled. Laid back. Not a care in the world.

These moments can be swamped by everything else that's going on in our lives. When that happens, it can help to deliberately set some time aside to enjoy the good things in life: an evening with friends, a walk in the country, or a cold smoothie. It's good for us and our health.

Something else you can do is to arrange health protection from your Sparkasse. Our ambitious all-round health protection package will remove some of the burden from the shoulders of you and your family. Because every moment counts.

We are nothing if not flexible: if you already benefit from some of the cover contained in the policy, you can just top it up with whatever you and your family still need.

For a radiant smile

Nice teeth are our visual visiting card – they account for 81 percent of what makes us attractive.

With **ZahnPRIVAT** you'll have plenty to smile about, because you'll be benefiting from the latest dental care rather than the minimum standards required by law.

Your benefits:

- You can get treated by the dentist like a private patient.
- Your own contribution for dental care, dentures and orthodontic treatment is reduced to an affordable minimum, or you benefit from our Completely-Care-free-Protection with ZahnPRIVAT 100.
- You get the best quality – no matter if it's for a crown, a professional dental cleaning, or a root canal treatment.

Depending on the tier of cover you choose with ZahnPRIVAT, you will be reimbursed 75, 90 or 100 percent of the costs.

For the alternative medicine of your choice

Many people swear by the natural effects of alternative therapies.

With **NaturPRIVAT** you can complement traditional textbook medicine with the best naturopathic forms of treatment – just as you like.

You are free to choose alternative methods of treatment, e.g.:

- Acupuncture
- Homeopathy
- Osteopathy
- Naturopathic medicine

For living life to the full

Attend concerts, discover distant lands, replace your glasses – there are lots of pleasures in life!

With **VorsorgePRIVAT** you can protect your health and look forward to the future with a spring in your step.

Fully equipped to embark on the adventure that is life:

- Visual aids and laser eye surgery
- Vaccinations
- Hearing aids
- Medical check-ups

For the hospital you trust

To receive first-class care – that's what we all want if the worst comes to the worst. Which is why our new range of **KlinikPRIVAT policies** allow you to decide for yourself what is important to you.

Excellent treatment at a fair price in the event of accidents or illness with KlinikPRIVAT Premium.

With KlinikPRIVAT Unfall, you can obtain a valuable upgrade at hospital if you're admitted after an accident. And no medical examination is required.

And even better, KlinikPRIVAT Option is designed for those who later want to switch to the premium tariff subject to the same health terms.

We cover many additional benefits:

- A hospital you trust
- Your chosen doctor
- Single room accommodation
